Is it due to any of the shops in the vicinity of the Shandy premises in working of the Shandy in the place? If the realizations are so low, why should not the collection be made departmentally? It was therefore proposed to abolish the same for a period of two years in the first instance as by such a measure the shawl trade would be popularised and it may have good effect on the shawl collecting The decline in the income derived is said to be due to the diminution in population due to mortality & poor condition of the shawl trade in fact of more important still due to enforcement of control measures The rebel have subsequently restored an 17 9 46 to take up the collection was departmentally Mrs report has not been submitted for sanction of the first separately and it is not known whether action has been taken accordingly by the Rebel Govt or, what the result

Sir,

Subject - Giving the shandy ground rent at Hirle, Krishnarajanagar taluk

In forwarding herewith, a report No H C 123/45-46 dated 13th May 1946 received from the President, Hunsur Municipal Council, Hirle on the above subject, I have the honour to state that the right to collect the ground rent of shandy days at Hirle is being sold by auction and the realisation on this account has declined gradually from Rs 16/- in 1942-43 to Rs 9/- during 1945-46, as may be seen from the figures furnished for the past three years, in the President's report

In order to prevent this decline and popularise the shandy and thereby increase its revenue, the Council at their meeting held on 10-5-46 have resolved that the ground rent is being collected now be waived for a period of two years in the first instance A representation was also made to the effect by the Municipal Councillors at the time of my recent visit to the place

I think, the proposal may be given a trial for a period of 2 years in the circumstances represented above The loss will be negligible considering the present low income, and good effect it may have on the shandy collections

Copy of the resolution of the Council is enclosed

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
